Subject: REQUEST for PUBLIC HEARING ON LAHAINA WASTEWATER
INJECTION WELL PERMIT

Dear Ms. Rumrill:

I strongly oppose the granting of the permit *_unless_* additional conditions are placed on it as set forth in the letter of the DIRE Coalition to EPA. While they have identified a range of issues and concerns to which the EPA has not previously addressed nor which they have newly identified, they have not provided you with enough, adequate supporting data in their letter. They are in the process of gathering this data (and preparing their presentation) and will provide them to you at the public hearing we are requesting.

Thank You,
Sincerely,
Laurie Gima
